frs 
homecare

our team...

Frs Homecare managers and client care co-ordinators are registered nurses (RGN) with vast experience of care of the elderly in hospital, nursing home and homecare settings, meaning they are ideally placed to advise on homecare suitability for you and your family.

we put you first...

Our carers are trained to the highest standards. We also carry out on-going assessment and appraisal to ensure their work is carried out to the highest standards at all times.

Our client safety and wellbeing are always our priorities, so all our carers are Garda vetted and referenced-checked before being assessed to determine their suitability as an FRS carer.

frs homecare services...

Care of the elderly

Our fully trained care assistants can help with your daily needs. Whether that involves assistance with showering in the morning, choosing your clothes and helping with dressing, house work or a medication reminder, we are there to help. Your needs will be assessed and a tailored plan prepared by a qualified nurse (RGN) with years of experience working with care of the elderly.

We Offer:

Homecare:

- Day care
- Night care
- Live-in & 24/7 care
- Sitting service
- Personal service
- Household & cleaning
- Companionship

Specialist Homecare:

- Alzheimer & dementia care
- Physical disability care
- Intellectual disability care
- Respite care
- End-of-life care
- Convalescence care
- Family support
- Pre- and post-natal care for mother and baby

ICA Member Benefits...

***Irish Countrywomen's
Association***

10% ICA Discount...

All ICA members and their families are entitled to a discount of 10% on the cost of their first months Homecare or Home help. FRS Homecare is already the best value provider of Homecare services and now you can save even more , just mention you are an ICA member to claim your saving.

Jobs with FRS Homecare...

FRS Homecare is always seeking caring individuals to work as carers in the home of our clients. Our carers provide anything from 1 hour care per day to full time care. If you have experience as a carer or have training in this area , visit our website www.frshomecare.ie to make an application.

Training with FRS Homecare

If you would like to train as a carer in order to gain a career as carer in the Homecare field or would just like to update your skills , FRS Homecare provides basic care skills such as Patient Lifting and Handling and also FETAC Level 5 accreditation, visit our website www.frshomecare.ie for more details.

the process...

Assessment

Our client care co-ordinator will visit your home and undertake a detailed assessment of your requirements for homecare. They will develop a plan around your needs and liaise with your doctor and public health nurse ensuring every need you have, no matter how small, is provided for.

Selection

Once the assessment has been carried out, we will select your personal carer based on your needs. Your carer will have been interviewed, Garda vetted and reference-checked before visiting your home.

Quality checks

Your well-being is our priority and so we monitor the performance of our carers constantly through on going appraisal and consistent spot-checks.

You and your family will have direct contact details for our client care co-ordinators, and we have a confidential complaints procedure in place to deal with any issues that may arise.
